CHIME THROUGH THE YEARS

“BUT I NEVER SAID YES” BY DELPHINE DEILLY

CHIME FOR CHANGE Through the Years: The Female Fabric is a series curated by CHIME Managing Editor Mariane Pearl featuring stories from the CHIME journalism platform archives by women around the world.

14 female journalists participated in CHIME FOR CHANGE’s second Women Bylines workshop in Paris. Co-hosted by Gucci and the Kering Foundation with support from Hearst Magazines, the five-day workshop provided writers, filmmakers and photographers with intense journalism training and professional mentoring to support the production of underreported stories affecting women.

Delphine experienced early sexual trauma when she was too young to understand her right to consent to sex. Years later, as a young mother, she tells the stories of young women who have lived through the same problem.
