CHIME THROUGH THE YEARS

# “THE FAIREST OF THEM ALL” BY OLIVIA GAY

*CHIME FOR CHANGE Through the Years: The Female Fabric is a series curated by CHIME Managing Editor Mariane Pearl featuring stories from the CHIME journalism platform archives by women around the world.*

14 female journalists participated in CHIME FOR CHANGE’s second Women Bylines workshop in Paris. Co-hosted by Gucci and the Kering Foundation with support from Hearst Magazines, the five-day workshop provided writers, filmmakers and photographers with intense journalism training and professional mentoring to support the production of under-reported stories affecting women.

After her mother left home when she was 13, Olivia started taking photographs of women with a focus on people we tend to ignore, prostitutes, factory workers and prisoners among others. She now revisits her fascination with hidden women.
