CHIME THROUGH THE YEARS

## **“SLEEPLESS NIGHTS” BY CHARLOTTE POUCH AND FABIENNE**

*CHIME FOR CHANGE Through the Years: The Female Fabric is a series curated by CHIME Managing Editor Mariane Pearl featuring stories from the CHIME journalism platform archives by women around the world.*

*14 female journalists participated in CHIME FOR CHANGE’s second Women Bylines workshop in Paris. Co-hosted by Gucci and the Kering Foundation with support from Hearst Magazines, the five-day workshop provided writers, filmmakers and photographers with intense journalism training and professional mentoring to support the production of underreported stories affecting women.*

For the last four years Charlotte has followed the story of her friend, a victim of domestic violence, to try and explain why it is so difficult for victims to escape it.
