CHIME THROUGH THE YEARS

“HOW TO SURVIVE IN A BEAUTY-OBSSESSED WORLD” BY SAVANNAH KELLEY FOR CONNECTHER

CHIME FOR CHANGE Through the Years: The Female Fabric is a series curated by CHIME Managing Editor Mariane Pearl featuring stories from the CHIME journalism platform archives by women around the world.

We live in a world that values our bodies for what they look like, but we can choose to value our bodies for what they do.

The **ConnectHER** Film Festival provides a powerful platform for young storytellers to highlight critical issues facing women and girls. Students submit original short (3 to 6 minute) films focused on issues such as girls’ global education, ending violence against women, redefining beauty, and girls in tech.

Savannah Kelley is a junior at Northwestern University studying journalism.
